

CHICAGO METALLIC™ ADDS ROSE BRONZE FINISH TO ELITE BAKEWARE LINE

Garden City, NY, April 2018 – Chicago Metallic™ adds a new Rose Bronze finish to its Elite Bakeware collection. Available on Amazon later this month, the baking line offers style and high performance in a variety of essential bakeware shapes.

Perfect for creating both sweet and savory recipes, the Elite Bakeware line features an exclusive dual-layer coating that provides a superior, nonstick surface and exceptional abrasion resistance. The pans are crafted from a heavy-gauge carbon steel which helps food bake evenly, and the eye-catching rose bronze color gives it a presentation-ready look, so you don't need to transfer food to a separate platter, bowl, or tray when entertaining.

The Chicago Metallic Elite Bakeware collection in Rose Bronze includes:

- 17 Inch Cookie Sheet (\$14.99)
- 15 Inch Cookie Sheet (\$12.99)
- 13 Inch Cookie Sheet (\$9.99)
