## Lifetime Brands Debuts Official Collection of Instant Pot® Accessories

*Chicago, IL, March 1, 2019* – Lifetime Brands, Inc., a leading global provider of kitchenware, tableware, and other products used in the home, is set to introduce more than 20 official, custom-designed Instant Pot® accessories at the 2019 International Home + Housewares Show.

Dan Siegel, President, Lifetime Brands, Inc., says, “Our design team created a product assortment that covers the main functions of cooking eggs, baking, roasting, steaming, and prep. Our official Instant Pot branded accessories are crafted from high-quality materials and all items are specifically designed to work with Instant Pot; something no other product on the market can offer.”

Robert J. Wang, CEO, Instant Brands, Inc., says of the new collection, “Our users are our top priority and we remain committed to providing solutions to help make life a little easier. The new accessories from Lifetime Brands will make Instant Pot cookers even more useful and easier to use.”

**Instant Pot Silicone Accessories** are all made of heat-resistant, dishwasher safe, BPA-free silicone:

- Egg Rack holds 9 eggs upright for consistent hard/soft boiling and can be stacked to hold 18 eggs
- Egg Bites Tray is great for use in baking as well as making egg bites, egg muffins, steamed eggs, yogurt, cupcakes, cake pops, or making ice cream
- Roasting Rack elevates food and drains grease into the Instant Pot and away from food
- Steamer Basket has high walls to keep contents away from boiling water while cooking and conveniently rolls up for compact storage
- Bakeware Sling makes lifting pans and accessories from the Instant Pot easy and safe

**Instant Pot durable Wire Accessories** make Instant Pot cooking easier than ever:

- Egg Racks hold 7 eggs and can be stacked to hold 14; also used to elevate bakeware pans
- Wire Roasting Rack elevates foods and helps drain grease while cooking
- Small and Large Steamer Baskets are made of corrosion-resistant, 18/8 stainless steel and nest together so you can cook different foods at the same time in the Instant Pot

-more-

## Lifetime Brands Debuts Official Collection of Instant Pot® Accessories, Continued...

**Instant Pot Bakeware** is made of high-grade steel and silicone:

- Complete Cook/Bake Set includes 2 stainless steel pans, 2 snap-fit silicone lids with pressure release tabs, 1 removable divider, 1 removable base, and 2 stackable egg racks
- Stainless Steel Cook/Bake Pan with silicone-lined removable base prevents leaks and easily removes cakes without damage
- Nonstick Fluted Cake Pan has a 6-cup capacity, perfect for fluted cakes and other treats
- Nonstick Spring Form Pan makes delicious cheesecakes every time

**Instant Pot Knives and Utensils** make prep to pot quicker and easier:

- Nylon Paddle Turner, Ladle, and Spoon Spatula are made of fiberglass reinforced nylon for added strength and feature a grooved handle design for added grip
- Silicone Head Tongs are ideal for delicately grasping and handling food without scratching the inner pot
- Ceramic Knives offer a razor-sharp edge and come with blade covers. Available in 6-inch chef; 6-inch vegetable cleaver, 5-inch serrated utility, and 3-inch paring knife
- Chop and Slide Knife features a sharp, deep blade with a raised back wall and blade cover with an added food sweeper to easily transfer food into your Instant Pot

**Instant Pot Cutting Boards** are safe to use with all knives and offer a variety of features:

- 11x14 Chop and Slide Board is dishwasher safe, has raised sides to contain food and juices, and a patented nonstick slide feature for transferring food into your Instant Pot
- 11x14 Funnel Board has a patent-pending funnel feature in the handle for moving food into your Instant Pot, and is dishwasher safe
- 11x14 Conversion Cutting Boards in bamboo and dishwasher-safe poly are reversible, and display Instant Pot conversions to help prevent over- or under-cooking foods

Lifetime Brands secured the licensing agreement with Instant Brands, Inc., the makers of Instant Pot®, to create and distribute official Instant Pot branded accessories, in December 2018.

Instant Pot cookers are tools for the modern lifestyle. In March 2018, Instant Pot was awarded the NPD award for Top Increase in Market Share in the Cook & Heat Appliance segment. This is the second time in a row that Instant Pot has received this award.

*\*Instant Pot Brand: The NPD Group Inc., Retail Tracking Service, Cookers Category, Dollar Sales, Ending Oct, 2018.*

# Peach Perfection

This simple, clever gadget will have you splitting and pitting photo-worthy peaches all summer long. Perfect for prepping free-stone fruit for pies, cobblers, crumbles, and salads.

## Details

- Easily pit and slice peaches & other stone fruit in seconds
- Top-rack dishwasher safe

## Directions

- Push tool into peach perpendicular to seam until pit wedges into tool
- Rotate tool and half of the fruit in opposite directions to separate
- Rotate tool in opposite direction to remove pit from remaining half

# Slices and cubes for salad, oh my!

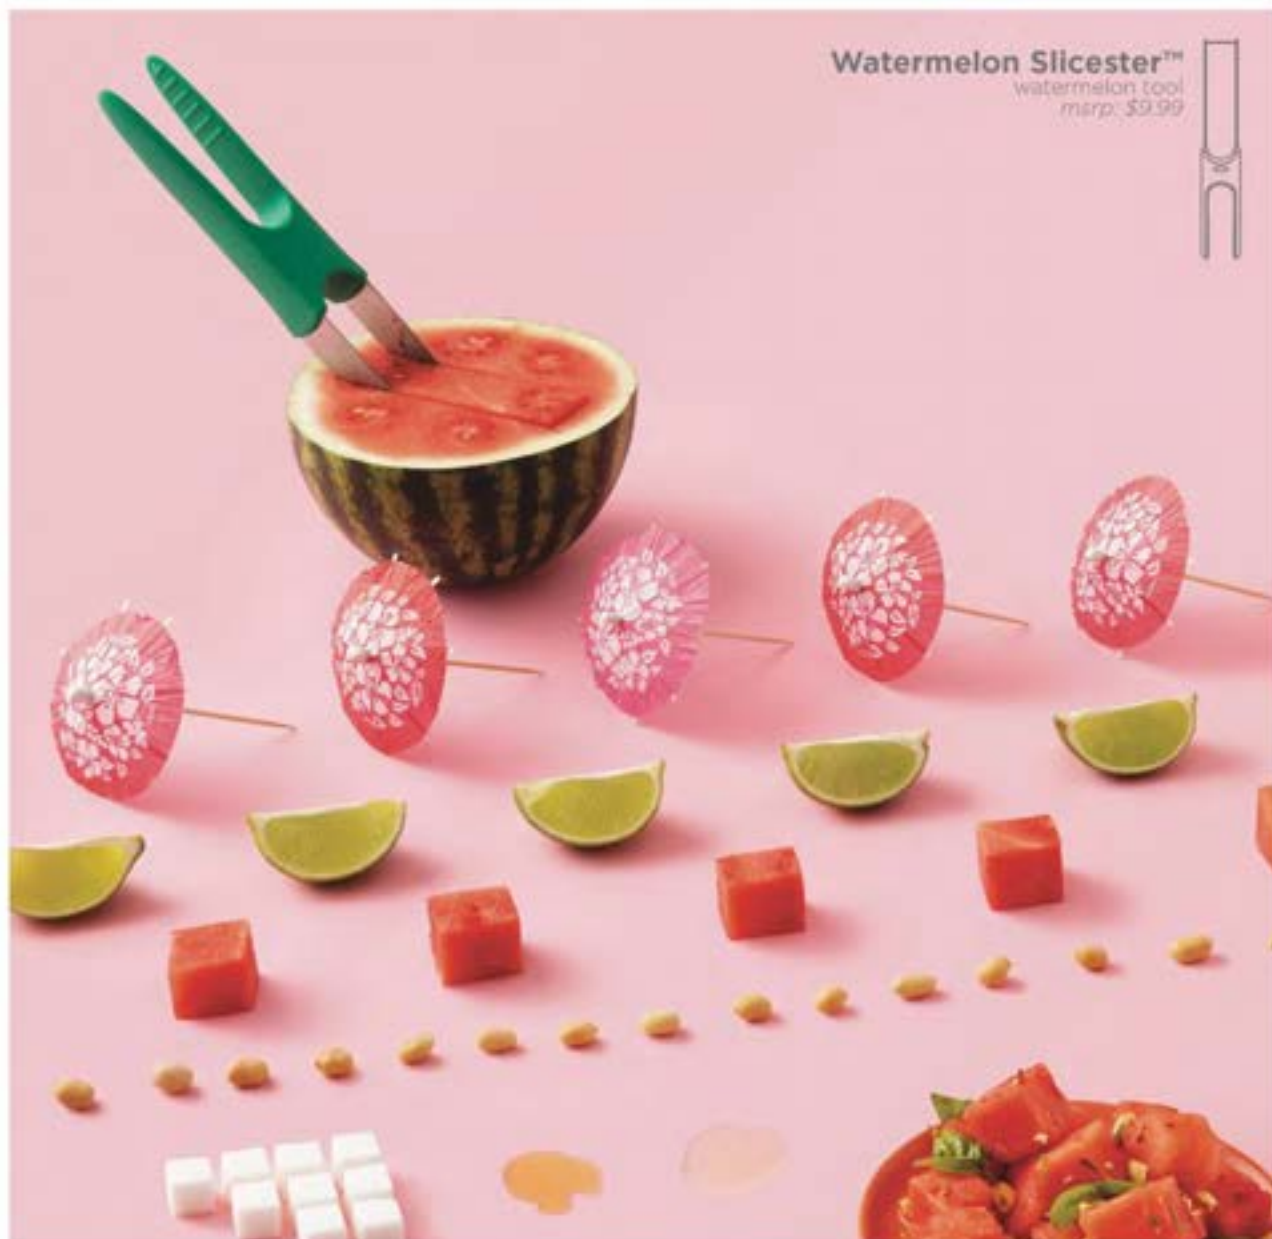

Perfect for picnics and parties, the Sliceater™ Watermelon Tool cubes and slices melons safely so you can put that knife back in your drawer. Grab slices and cubes out with the tong end of the tool. Less mess, more melon!

## Details

- Mess-free watermelon prep in seconds
- Rubber handle for comfortable grip
- Works great on cantaloupe and honeydew
- Top-rack dishwasher safe

## Directions

- Press down to trace along the edge of rind from end to end of fruit
- Slice in perpendicular direction to create cubes
- Use tongs on reverse end to pull slices out

**Watermelon Sliceater™**  
watermelon tool  
msrp: \$9.99

# Sassy and Sweet

We're no beginners when it comes to citrus gadgets. From the FreshForce™ family to the PalmZester™, we've designed products that stand the test of time. LemonDrop™ is no exception. More juice, less waste in a sweet little gadget that uses Mother Nature's storage so that you use only what you need and then pop the rest-lemon and all-in the fridge.

## Details

- Great for salads!
- Juice in seconds!
- Slice top portion of lemon off to create 1.5 inch wide opening
- Pieces come apart for easy cleaning
- Separates seeds and pulp from juice
- Works on large lemons
- Juice and store
- Top-rack dishwasher safe

# Strawberry Simplified

This kid (and adult) friendly tool makes perfectly slicing strawberries as easy as can be. Just drop the strawberry into the opening and squeeze the handles. Use as toppings on a beautiful salad or toss some in a bright and healthy school lunch.

#### Details

- Make perfect strawberry slices in seconds
- Handle locks for easy and safe storage
- Top-rack dishwasher safe
- Staggered blades require less force to slice
- Larger slicing surface for easy use

#### Directions

- Insert strawberry and squeeze to slice

# Fresh Herbs, Fancy Free

Introducing the latest addition to the Zoom™ family! An innovative take on our PalmMincer™, the HerbZoom™ fits in the palm of your hand and rolls to mince fresh herbs without bruising them. Turn the dial on the side to expose sharpened blades for mincing and to retract blades for safe storage.

#### Details

- Mince fresh herbs in seconds
- Compact design
- Top-rack dishwasher safe

#### Directions

- Turn dial to lower blades for use
- Roll to mince
- Retract blades and open door for easy cleaning

# Turning Grating on its Head

Whether you're feeling cheesy or feeling "grate", we've got you covered: a new multi-functional tower grater that pulls apart into plane graters for easy garnishing and cleaning. An entirely new spin on rotary grating, ours is designed to let you keep an eye on what you're grating. The perfect additions to every cheese lover's kitchen.

## Details Rotary Grater

- Spring-loaded chamber and geared handle for easy and efficient grating
- Easily see what you are grating
- Pieces come apart for easy cleaning

## Details Tower Grater

- Includes shaving, coarse, and fine/zest grate plates
- Rubber feet for nonskid stability
- Grate directly into tower for less mess
- Remove plates to grate directly over food
- Pieces come apart for easy cleaning

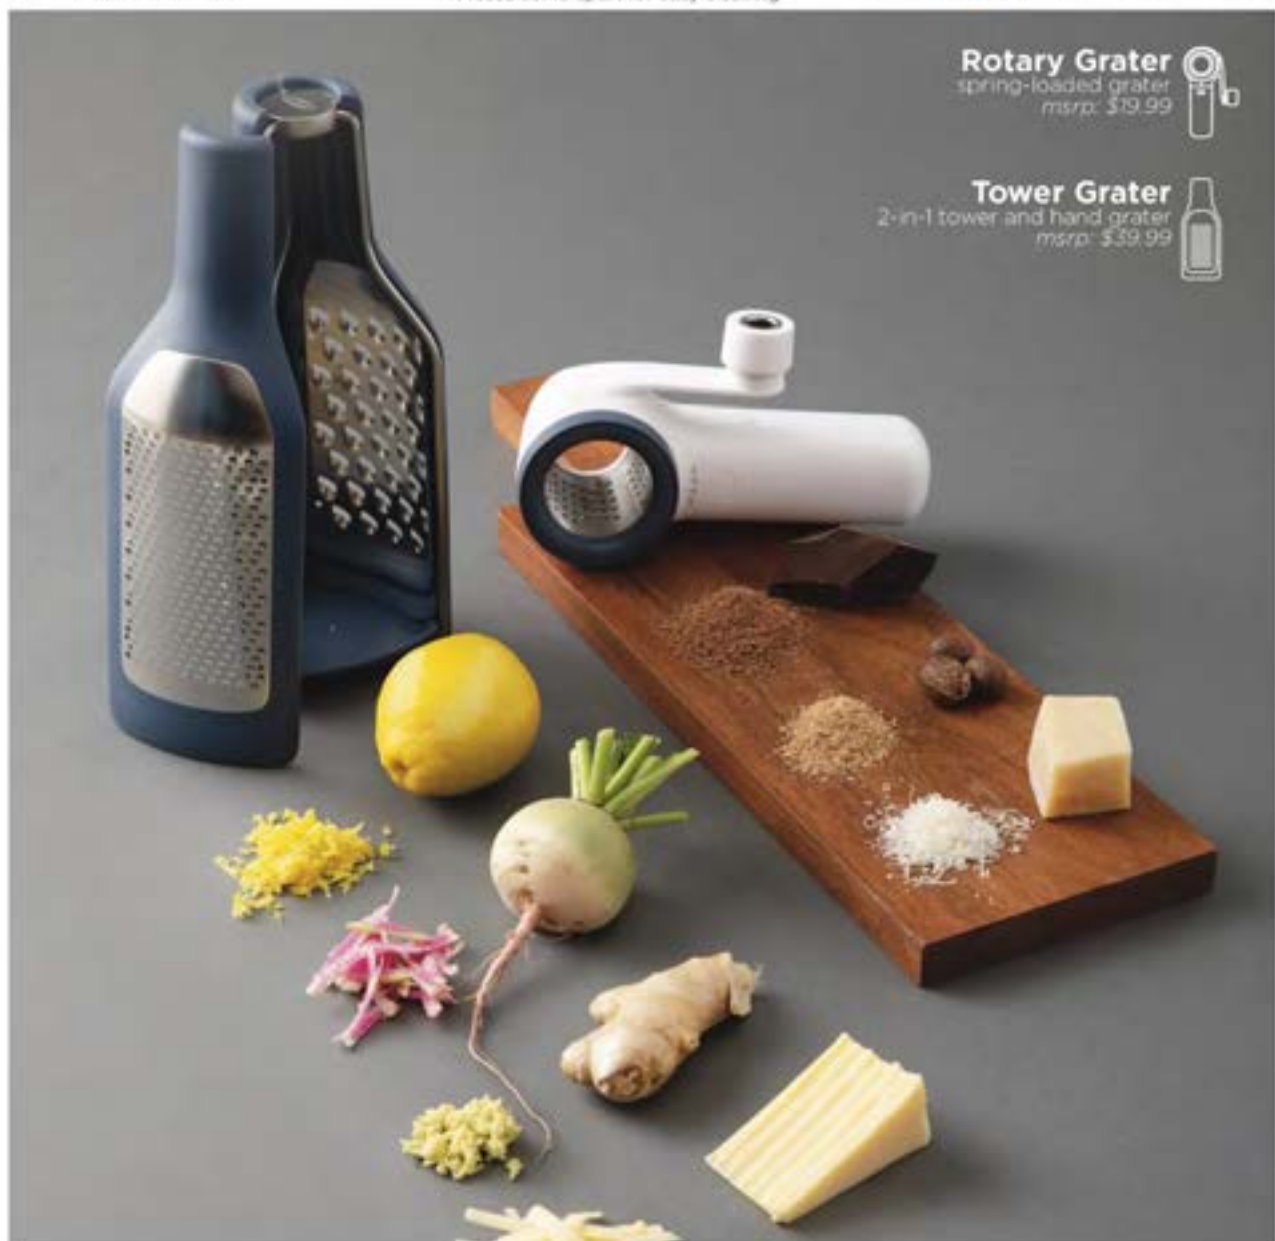

## Rotary Grater

spring-loaded grater  
msrp: \$19.99

## Tower Grater

2-in-1 tower and hand grater  
msrp: \$39.99

## Good, Better, Best

Sometimes the simplest approach is the best. Making quick work of peeling garlic, the Garlic Cone will quickly become your go-to tool for this pesky task. Designed to keep garlic cloves and peels contained, and your hands odor free.

### Details

- Mess-free garlic clove peeler
- Turn inside out for easy cleaning
- Keeps hands odor free
- Dishwasher safe

### Directions

- Insert 2-3 garlic cloves
- Roll on counter to peel

## A Tasty New Take on Tried and True

The new Chef'n Can Opener is a modern take on one of the most used tools in the kitchen. Designed with a sturdy and collapsible stainless steel handle you can easily store in the drawer, and the clever lid lifter keeps fingers and hands safe.

### Details

- Compact design and foldable handle for easy storage
- Includes magnetic lid lifter and no-mess lid release
- Magnetic lid remover
- Sharp, durable stainless steel blade
- Hand wash recommended

**Click + Store Can Opener**  
with space saving handle  
msrp: \$14.99

# Fresh, Functional Design

Delivering equal amounts of function and good looks, the Acacia Ascent™ Grinder and Salad Tongs were designed to work from kitchen to table, prep to serve. The Ascent Grinder turns traditional grinding upside down to keep countertops clean and make grinding easy and mess free. The simple addition of a magnetic handle keeps our salad tongs together where you want them, when you need them.

## Details Ascent Grinder

- Acacia wood
- Ceramic grinding mechanism
- Great for salt and pepper

## Details Salad Tongs

- Made of solid acacia wood
- Mix and match with our stainless steel and nylon tools for a personalized set
- Patterned handle for a comfortable grip
- Suitable for nonstick cookware
- Heat resistant up to 400° F (204° C)

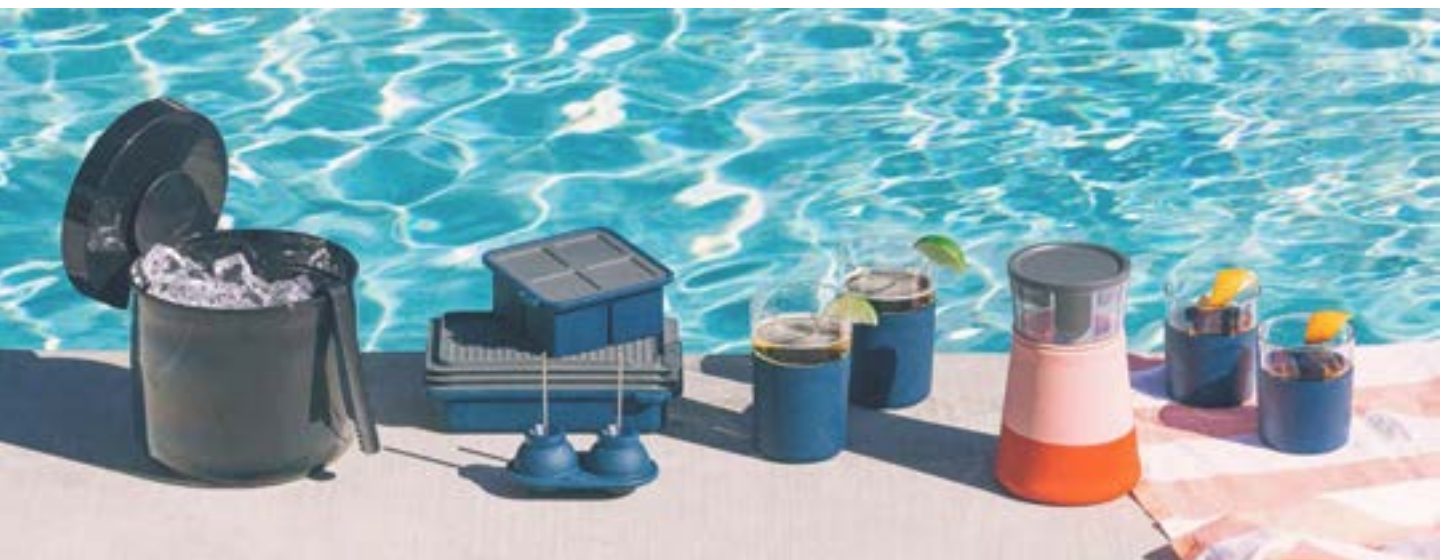

**Ascent™**

The **Rabbit® Freezable Cocktail Maker** turns your favorite cocktails into a frozen slushy, no blender necessary! The Freezable Cocktail Maker will help you create delicious, post-worthy cocktails to share with your friends near and far. The set includes: 32 fluid ounce silicone cocktail carafe, neoprene sleeve, lid, stir spoon, and recipe booklet. The recipe booklet includes six unique recipes. Easily make frozen cocktails in your freezer - margaritas, frosé, piña coladas, and more. To use, simply remove lid and fill silicone carafe with ingredients. Cover with lid and place in freezer overnight. Remove from freezer and wrap carafe with neoprene sleeve. Squeeze the sides with your hands until the desired consistency is reached; you can also use the stir spoon for extra mixing. Pour cocktails into glasses using stir stick and enjoy! Carafe makes 4-6 servings and is top-rack dishwasher safe. Neoprene sleeve should be wiped clean. Mix, Freeze, Squeeze, and Enjoy! \$40.00

14

Transform your cocktails with new **Rabbit® Swizzle Ice**. The Swizzle Ice enhances and chills your favorite beverages with a frozen flavor infusion. Set includes silicone/plastic swizzle mold, stainless steel swizzle sticks, and 3 recipe cards. To use: Simply add in ingredients you wish to use to infuse your drink (fruit, herbs, bitters, etc.) and freeze overnight. Once you're ready for your cocktail, pour the spirits into a glass. Remove the unique spherical ice from mold and stir into your drink. The swizzle ice melts slowly and infuses your favorite cocktail or beverage. Easily infuse wine, cocktails, and water with fruit, citrus, or herbs to add an extra hint of flavor to your drink. Product makes 2 swizzle ice spheres. Dishwasher safe. Freeze, Infuse, Enjoy! \$15.00

At Rabbit, we continue to push the envelope on home cocktails, so people can enjoy and spend more time entertaining. The **Rabbit® Crushed Ice Molds** make multiple sheets of crushed ice in one use. The Crushed Ice Mold makes 3 times the amount of crushed ice than traditional trays. The product features 3 crushed ice molds and a silicone tray for ice storage. The Rabbit Crushed Ice mold makes uniform crushed ice – perfect for mojitos and juleps. To use: fill ice trays with water and remove excess. Stack trays onto the storage base. Freeze for 4 hours. Product is top-rack dishwasher safe. Happy Hosting! \$15.00

**Rabbit® Freezable Whiskey and Beer Glasses** chill your drink without dilution or condensation. We've updated our original Freezable Glass Sets to feature a cooling pack, which keeps your drink cold for hours—no ice needed. The set includes 2 matching glasses with a bright speckle navy silicone sleeve that protects hands from cold drinks. Whiskey glasses hold 8 fluid ounces and beer glasses hold 12 fluid ounces. The glasses are great for drinking beer and whiskey, as well as for sipping white wine and cocktails. To use, place Freezable Glasses with silicone sleeves in the freezer for 4 hours. Pour your favorite drink into glass and enjoy the chill. To clean, remove silicone sleeves and cooling packs from glasses. Glass is top-rack dishwasher safe. Cooling pack is hand wash only. Rabbit's updated Freezable Beer and Whiskey Freezable Whiskey Glasses \$30.00, Freezable Beer Glasses \$35.00

The **Rabbit® Double Walled Ice Bucket** keeps ice cold for hours so you can spend more time sipping your favorite cocktails! The Double Walled Ice Bucket is insulated to keep ice cold with no condensation, and the compact design fits 3 quarts of ice. The lid conveniently rests on the lip of the bucket while in use, and the tongs store on the lid when closed. \$30.00

The **Rabbit® King Cube Ice Tray** makes 4 extra-large ice cubes perfect for whiskey—without taking up a lot of room in your freezer. The silicone base is designed for easily removing individual ice cubes. The tray is stackable, so you can make multiple 2-inch perfect square ice cubes for you and your guests. To use, fill tray with water to fill line, secure lid, and freeze overnight. Top-rack dishwasher safe. \$15.00

**MAKO™ Chilling Stones** suction to the bottom of your glass to keep your drink cold. These chilling stones are perfect for whiskey, white wine and cocktails. The product has a silicone base that suctions to the bottom of your glass which prevents delicate glassware from breaking and ensures your stone stays in one place — unlike a traditional chilling stone. To use: place chilling stone in freezer for up to 4 hours. The stones come apart for easy cleaning. Product is hand wash only. Available in Pacific Blue and Mint Green, perfect colors for your summer cocktails! \$10.00

Transform your cocktails with **MAKO™ Swizzle Ice**. The Swizzle Ice enhances and chills your favorite beverages with a frozen flavor infusion. Set includes silicone/plastic swizzle mold, stainless steel swizzle sticks, and 3 recipe cards. To use: Simply add in ingredients to infuse your drink (fruit, herbs, bitters, etc.) and freeze overnight. Once you're ready for your cocktail, pour spirits into a glass. Remove the unique spherical ice from mold and stir into your drink. The swizzle ice melts slowly and infuses your favorite wine, cocktails, and water with fruit, citrus, or herbs to add an extra hint of flavor to your drink. Product makes 2 swizzle ice spheres. Product is dishwasher safe. Freeze, Infuse, Enjoy! \$15.00

**MAKO™ Cork Stoppers** make corking wine much easier than trying to squeeze the original cork back in and they seal wine tight. Available in Short and Tall sizes, each stopper is sold separately. \$5.00

Available now at [Makobarware.com](http://Makobarware.com)

## **Introducing New Precision Measurement Tools from KitchenAid® - Including Analog and Digital Thermometers, Kitchen Scales, and Timer -**

"We're excited to connect Taylor's 160-year heritage of successful development within the precision measurement tools industry with the respected branding of KitchenAid. Our new curated collection combines the strong visual brand language of KitchenAid with superior craftsmanship, thus providing a best-in-class assortment of thermometers, kitchen scales, and more," says Corinne Sayers, Sr. Category Manager, Taylor Precision Products, a Division of Lifetime Brands.

Modern and professional, with attention to every detail, this new line of Precision Measurement Tools from KitchenAid will launch this fall at select retailers. The collection features a cohesive design language, including Brushed Stainless Steel Trim Accents, Reverse Readout Backlit Displays, Precision Calibration, plus Black, Stainless, and Milkshake accents.

The full line of measurement products includes: 1" Instant Read Thermometer, Leave-in Meat Thermometer, Oven Thermometer, Curved Candy Paddle Thermometer, Digital Pivoting Display Thermometer, Long Stem Pen-style Thermometer, Digital Pre-set Wired Probe Thermometer, 11lb Black Glass Kitchen Scale, 11lb/16oz Dual Platform Stainless Steel Kitchen Scale, and a Single Event Digital Timer.

Retail range: \$9.99-\$49.99

## Brookstone® Introduces Kitchen Measurement, Bath Scales, and Weather Stations

A brand known for inspiring products and smart solutions reenters the industry with feature-rich and innovative items developed by Taylor Precision Products that measure and monitor cooking temperatures and weights, body weight, and weather events and trends. The new Brookstone® assortment consists of 3 thermometers, 2 kitchen scales, 5 bath scales, and a weather buff's dream collection of 4 informational digital weather stations. All products are unique to the market and positioned with competitive price points based on their feature-rich modern designs.

Available Fall 2019

Retail Ranges: \$19.99-\$59.99

## Taylor PRO® Launches Ultra-Fast Digital Thermocouple Thermometer

Producing products with the highest standards of accuracy and precision remains the benchmark for **Taylor Precision Product's** expansive, industry leading portfolio of thermometers. There's nothing traditional about the high-end design elements incorporated into the curated assortment of best-selling thermometers. Dramatic colors and enhanced, hand-crafted stainless-steel bezels perfectly tie all the details together. Durability, readability, and uniqueness in the marketplace set these products apart from the rest.

Fast isn't fast enough anymore in today's world of instant gratification, and Taylor ups their game with the **Taylor Pro Ultra-Fast Digital Thermocouple Thermometer**. The fully featured thermometer records stable temperatures in food in less than four seconds AND is waterproof (IP67), NSF listed, includes a reversible digital backlit display, features a 180° pivoting stem with 1.5mm step down tip, and has calibration and HOLD benefits.

Available Summer 2019.  
\$89.99

## Taylor Grill® – Solutions for Prepping, Cooking, and Serving

Taylor introduces new Grill products to infuse flavor from start to finish. Known for precision measurement instruments, Taylor's Grill Line features a full range of thermometers, from versions that are waterproof to those designed specifically for smokers or to leave in steaks for perfect doneness.

This year's development was all about flavor! Introducing the **Taylor Grill® Multi-Purpose Flavor Infuser with Injector Tip** and **Dripless Basting Brush**. For great results, use an injector for infusing intense flavors below the surface and tenderizing tougher cuts of meat. Perfect for poultry, meat, game, fish, and more. Easily infuse broth, stock, au jus, citrus juices, and marinades directly where needed with a durable stainless-steel injector needle. The patented baster bristles trap liquids for even distribution. The 4-piece set is completely dishwasher-safe for easy clean-up. Available now on Amazon. \$19.99

## Taylor® Expands Its Holiday Roasting Assortment with Innovation and Improvements on Must-Have Basics

Cook like the pros and feel confident in knowing that Taylor®, the industry leader in precision measurement tools, has put together a comprehensive assortment of all the must-haves for a perfect holiday meal. Items include a **Leave-In Meat Thermometer** to track the slow cooking temperatures of roasts or poultry; a **Wired Probe Digital Thermometer** that tracks the temperature on a base station that sits on the counter so the oven door doesn't have to be opened; a **Silicone Bulb Baster with Cleaning Brush and Injector Tip**, plus Turkey Lifters, Twine, Cheesecloth, Brining Bags and more!

New and innovative, **Taylor's Flavor Infuser Pod** adds flavor to your roast or stew. The oversized compartment has a 2.5-inch diameter and can be filled with herbs, spices, or tea leaves to infuse flavor without the mess. Attach the lanyard to the side of the pot or roasting pan. The unique stainless-steel design is durable enough to be used in the cavity of poultry, but compact enough to be used in stews or for loose tea to make big pitchers of sun tea, mulling spices, and so much more. This dishwasher-safe product makes for easy cleaning.

Available Fall 2019

Retail Ranges: \$9.99-\$29.99

These new **Textured Aluminum Pans from Chicago Metallic™** are made from heavy gauge 1.0mm aluminum, with super heat conductivity that promotes even baking. They have wire-reinforced rims, which make them incredibly durable, and they are heat-resistant to 450 degrees F / 232 degrees C. The unique textured bottom promotes airflow and smooth release. The collection includes 3 Baking Sheets (9x13 inch; 13x18 inch; 10x15 inch), a Loaf Pan, 15-Inch Pizza Crisper, 3 Cake Pans, and 1 Pie Pan. Hand wash. \$9.99 to \$16.99

The **Chicago Metallic™ 3-Piece Essentials Baking Set** is perfect for making one-pan meals! All three components are heat-resistant up to 450 degrees F/ 232 degrees C, and each brings a special feature to preparing savory meals or sweet treats. The 13x18 inch nonstick, Large Jellyroll Pan features wire-reinforced rims, which ensures maximum durability. The 12x17 inch nonstick, Silicone Mat is great for lining pans or as a prep surface. The Cooling Rack is a great tool for crisping fries, roasting meats, or decorating baked goods. \$29.99

The **Chicago Metallic™ Commercial II 6-Piece Bakeware Set** gives you the ultimate professional baking experience. This set features an aluminized steel construction and includes premium features, like wire-reinforced rims. The square and rectangular pieces also have folded corners for added durability. These pieces are heat-resistant to 450 degrees F / 232 degrees C and are covered in an ILAG exclusive grade nonstick coating, which ensures your baked goods pop out or off the pan in picture-perfect condition. The set includes one each of: Loaf Pan, Medium Baking Sheet, 12 Cup Muffin Pan, 8 inch round pan, 9 inch square pan, and 9x13in Cake Pan. Dishwasher safe. \$59.99

We're celebrating 100 years of bringing KitchenAid® into kitchens around the globe! Our 100<sup>th</sup> birthday is more than just a celebration for us, though. It's also an opportunity to show our gratitude to our customers for continually inspiring us to grow and evolve to your passion for making things. You live to cook, and you continue to make us want to develop tools and accessories to create possibility and enjoyment in the kitchen. To thank you, we're introducing some exciting, innovative products that commemorate the past, and launch us into the next century of providing you with the high-quality, user-friendly experience you can always count on from us. Here's to making history—together!

KitchenAid presents themed **Experience Kits** to use with KitchenAid appliances.

The **Crock Utensil Kit** includes a turner, basting spoon, slotted spoon, ladle, silicone-tipped tongs, and a ceramic textured crock—a tool for every task while cooking!

The **Essential Gadget Kit** contains gadgets for general use—a pizza wheel, euro peeler, ice cream scoop, can opener, and 9in tongs.

**Crock Utensil Kit**  
\$79.99

**Essential Gadget Kit**  
\$69.99

The **100<sup>th</sup> Celebration Kit** features packaging coordinated with a limited suite of KitchenAid Small Electrics in limited-edition Passion Red, designed to commemorate this special anniversary (limited release: April-Dec. 2019).

The **Baking Accessory Kit** features pieces specially designed to be used with the KitchenAid Stand Mixer, including measuring cups and spoons, a wire whisk, and a spatula. These pieces are safe to use with all cookware, including nonstick. They're heat-resistant to 450 degrees F (232 C) and dishwasher safe. These sets are packaged to mimic the premium look of the KitchenAid stand mixer, which makes them attractive gifts.

KitchenAid® introduces brand new baking tools for home chefs passionate about baking. These high-quality items are sure to enhance your enjoyment, whether you're making a loaf of bread or cake, or whipping up a batch of cookies. The **Mixing Bowls** are made from premium-grade materials and come in vibrant colors that align with our stand mixer color palette (available in sets of 3 or 5). The **Silicone Baking Mats** are made from fiberglass and reinforced, heat-resistant silicone. They're great for baking or preparing popular one-pan meals, and work equally well for food prep. Available in 3 sizes: 9x13; 13x18; and 10x15. The **Measuring Jugs** feature modern-style, clean, easy-to-read markings in both imperial and metric measurements. Available in 1-cup, 2-cup, 4-cup, and 8-cup sizes, these jugs nest into each other for easy storage.

Color has long been one of the main defining attributes of KitchenAid appliances and accessories, so we're proud to introduce a new line of focal colors for 2019, including **Misty Blue**. As part of the 100<sup>th</sup> Celebration, Misty Blue is used to signify "an ode to the past." KitchenAid will also feature classic core colors in 2019, including **White**, available in both our Gourmet and Classic lines, with either a matte or gloss finish. Both the Core Colors and New / Focal Colors for 2019 are stylishly designed to coordinate with KitchenAid small electrics.

Also presenting **KitchenAid's new Gourmet Series**. These tools and gadgets are made from premium materials that set the line above other brands. ABS satin chrome accents with sleek, matte handles and a debossed logo are just some of the design elements that give these pieces an upscale look and feel. They also feature a 1919 Medallion on the end cap, paying tribute to the year the KitchenAid brand was founded, and tying the tools in with KitchenAid Electrics.

KitchenAid will be expanding its core assortment of tools and gadgets within the **Classic Series**. These tools and gadgets have a reinvigorated style, incorporating design elements from KitchenAid's Electrics category with sleek new handles and ABS satin chrome accents, plus a debossed logo to further the brand synergy. These pieces offer the best of both worlds: a fresh, new look, with the quality craftsmanship and performance you expect from KitchenAid products.

**Farberware® Cheese and Butter Huggers** are patent-pending, reusable, silicone covers that preserve leftover portions of cheese blocks and butter sticks, eliminating the need for disposable plastic wrap or aluminum foil. These silicone caps tightly embrace the opened ends of butter and cheeses, keeping them fresh and tasty. These Cheese and Butter Huggers nest together, and come as a set of five (in sizes from small to jumbo) designed to fit a variety of butter and cheeses. When food is pushed into the hugger, it folds tightly (hugs) around the food to help prevent exposure to circulating air, helping to keep cheese and butter fresh longer. Farberware Cheese and Butter Huggers are crafted from 100% FDA silicone, are 100% BPA and phthalate free, and dishwasher, microwave, and freezer safe. \$12.99 for a set of 5

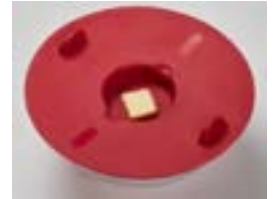

Wine aficionados will adore using this **Farberware® Professional 3-Piece Wine Hugger Set**. Perfect for serving and entertaining, these sturdy pieces are made from 100% durable silicone that holds up to wear and tear. The set includes three essential pieces: A Wine Bottle Hugger that neatly slips over the mouth of any wine bottle; a Wine Pourer, to aid in the serving your favorite red, white, or rosé; and a Food Hugger that can be used as a cover for your wine glass or coaster for your glass or wine bottle. \$9.99 for a set of 3

# FARBERWARE®

The **Farberware® Professional Pop-n-Steam Bowl Topper** is a dual-purpose, heat-resistant silicone lid perfect for making popcorn and/or steaming veggies in your microwave. It is compatible with various sized microwave-safe bowls. The center cup has a fill line to measure out popcorn kernels. The cup is perforated too, so once the kernels are poured in the bowl and the lid is secured, just place a pat of butter to melt over your popcorn as it pops, or to coat your steamed veggies with extra flavor. When your food is ready, safely lift the Pop-n-Steam from the bowl and release steam using the tabs on either side. The topper folds neatly, with the secure tabs nesting into each other for easy storage. \$12.99

The **Farberware® Professional Line** of cooking tools and gadgets will give you the confidence of a professional chef, whether you're whipping up a feast for a holiday gathering or getting a weeknight meal to the table. These tools have been restyled with sleek, ergonomic handles that make them comfortable to hold and easy to use. Each piece features a weighted handle and raised head tool rest, helping to keep countertops free of mess. The silicone spatulas have beechwood handles with an oiled finish, and are heat-resistant to 450 degrees F. The light matte heads are sturdy yet easy to wield, and the slotted tools have a new perforation pattern. These tools are also available in a variety of colors, sure to delight any home chef. \$5.99 - \$12.99

## Kizmos™ Presents Eco-Friendly Reusable Straws Including Stainless Steel, Plastic, Bamboo, and Paper

Kizmos™ presents several new eco-friendly collections of drinking straws that are fun to use and as effective as disposable plastic straws, without the waste. The Reusable Plastic, Stainless Steel, Silicone, and Bamboo Straws come with customized cleaning tools, and can be enjoyed again and again. The Paper Straws are biodegradable and colored with food-safe ink.

- **Kizmos™ 2-Piece Silicone Straws** feature a unique, patented design, wide mouth, and bright colored-stripes. To use, take a curved piece and snap it into a straight one for a straw that bends and folds. For taller cups, elongate your straw by snapping a curved piece from another straw in the set into the other end of the straight part. Take them apart for easy cleaning. Made from 100% medical grade silicone, these straws can be used for cold or hot drinks. \$9.99 for 4
- This **Set of 4 Kizmos™ Stainless Steel Straws** are made of rust-resistant, durable stainless steel and the set comes with a cleaning brush, but the straws are also dishwasher safe. \$9.99 for 4
- **Kizmos™ Reusable Plastic Straws** come in bright colors, are made of BPA-free reusable plastic, feature swirl designs, and come with a cleaning brush. Top-rack dishwasher safe. \$3.99 for 12
- Use eco-friendly, biodegradable **Kizmos™ Paper Straws** instead of plastic disposable straws. They're brightly decorated using food-safe ink, and the colors also make them desirable for crafts projects and desserts. \$2.99 for 30
- Eco-friendly, durable, **Kizmos™ Silicone Straws** are BPA-free and come with a cleaning brush; the straws are also top-rack dishwasher safe. \$9.99 for 4
- **Kimzos™ Bamboo Straws** are made of natural, biodegradable bamboo, which means they are eco-friendly and also unique in terms of color and sizing. These reusable straws come with two cleaning brushes. \$9.99 for 12

**Kizmos™ Slide Scoop Measuring Funnels** are all-in-one space-saving, mess-free measuring scoops and funnels, perfect for working with a variety of ingredients in the kitchen. The clever design makes these measuring funnels so easy to use. Simply scoop desired powder or other ingredient, hold over vessel, then slide back the lever on the handle to release. Ideal for measuring out spices, coffee, and powder for protein supplements, baby formula, chocolate milk, and more, each scoop features easy-to-read measurement markings. The smaller one measures 1 tablespoon, while the larger measures 2 tablespoons. Made from BPA-free plastic, these measuring funnels are also dishwasher safe. Single Scoop (2 TBSP measurement): \$1.99, Set of 2 Scoops (1 TBSP and 2 TBSP measurement): \$3.99

**amco houseworks®**

Keep kitchen odors off your hands with the **Amco Houseworks® Rub-A-Way Bar®**, now available in Fish and Garlic novelty shapes. There's also a Rub-A-Way Mini Bar that you can tuck in your pocket or purse. Simply rub the bar in your hands under running water, as you would with regular soap, and strong smells like garlic, onions, and fish go away fast. Used with or without water, the bar neutralizes odors regular soap-and-water washing leaves behind. The molecules in the stainless steel bind with the sulfur molecules left behind from onion, garlic, fish, and other pungent foods, transferring them and the smell to the metal and off your hands. Dishwasher safe.

Rub-A-Way Fish Shape \$7.99, Rub-A-Way Garlic Shape \$7.99, Rub-A-Way Mini \$5.99, Rub-A-Way Original \$7.99, Set of 2 (Original and Mini) \$12.99

**Sabatier® Faux Wood** kitchen tools and gadgets feature contoured soft handles for comfort, and have the look of real wood. The ample, nylon heads are heat resistant to 400 degrees F/204 degrees C, which means you can use them to cook and bake all kinds of foods with confidence. The **Turner** is ideal for flipping pancakes and folding omelets. The **Slotted Turner** features perforations to drain excess liquids and oils. The **Basting Spoon** and **Slotted Spoon** each feature a deep bowl, making the **Spoon** ideal for basting and serving, while the **Slotted Spoon** is excellent for separating excess liquid from foods. All pieces are safe to use on all cookware and are dishwasher safe. These pieces are also available with a faux marble finish. \$4.99 per tool.

**Sabatier® Gunmetal** tools and gadgets feature stylish and sleek weighted, stainless steel handles with ample, nylon heads that are heat resistant to 400 degrees F/204 degrees C. The **Peeler** features a stainless steel blade, curved for more effective peeling of hard vegetables and fruits, and a built-in bud remover to scoop out imperfections. The **9-Inch Perforated Tongs** have large, scalloped edges to provide a better grip on food and lock for storage. The **Pizza Wheel** has a 3-inch, double-beveled stainless steel blade, which effortlessly cuts through crust. The **Can Opener** features an easy-turn knob and a built-in bottle opener. All pieces in this collection are safe to use on all cookware. Most of the pieces are dishwasher safe, except for the can opener, for which hand washing is recommended. \$5.99 to \$17.99

The **Sabatier® Expandable Dish Rack with Stemware Rack** features rust-resistant vinyl-coated wires to protect dinnerware and cookware from chipping, and to keep items in place while drying. This dish rack holds up to 11 plates and features an extra-wide slot perfect for drying a frying pan or cutting board upright. Use the removable stemware attachment for hanging stemware to dry; the drain board pulls out to catch water underneath. The removable caddy features 3 compartments for organizing and separating kitchen utensils, and a built-in handle for bringing items to the drawer. Soft feet protect countertops and ensure stability. The drain board expands to 36.7in (93.2cm) to provide even more drying space when needed. Dimensions: 26.4"x14.8"x11.3" (67x37.5x28 cm). \$79.99

The **Copco® Cabinet Shelf** instantly doubles shelving and storage space while creating easy access to dinnerware and pantry items. The shelf is perfect for use in the cabinet, pantry, or on your countertop. Simply fold legs inward for storing. The non-skid surface ensures items stay in place when the shelf is in use. Soft feet won't scratch the cabinet, and prevent the shelf from moving. The Copco Cabinet Shelf holds up to 30lbs. To clean, simply wipe with a damp cloth. \$14.99

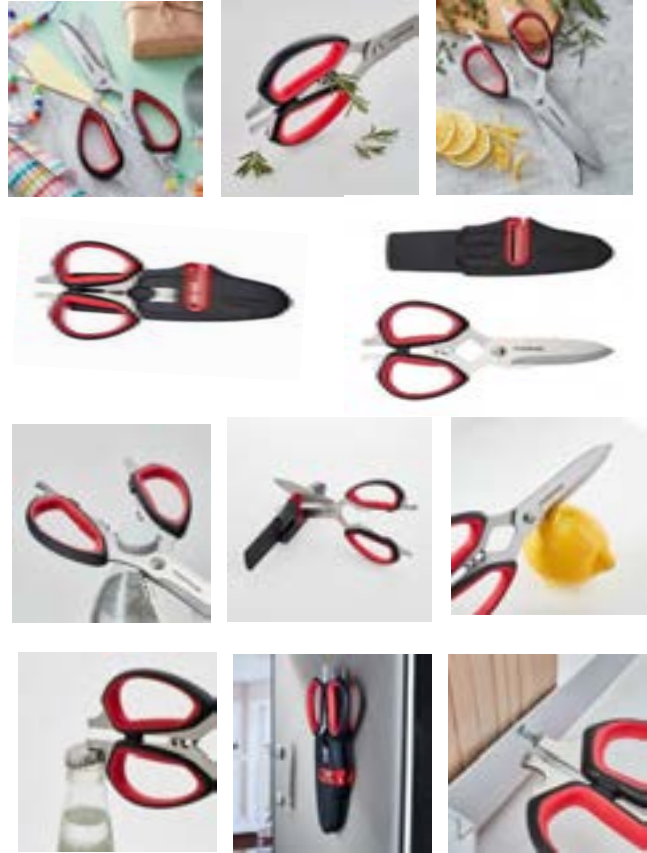

Never lose track of what's under your sink with this easy-gliding **18-Inch Under Sink Storage Turntable by Copco®**. In addition to under the sink, it's perfect for the kitchen, pantry, or even the garage as it maximizes cabinet space and helps keep everything organized and tidy. The tall outer rim with built-in handles keeps items contained, and the non-skid surface adds durability. It also features a non-skid bottom to prevent sliding. To clean, wipe with a damp cloth. Item Dimensions: 3.7"Hx18" Diameter. \$19.99

**Farberware® Edgekeeper® 10 in 1 Scissors** are the ultimate multi-taskers featuring 10 different tools, including a slotted screwdriver, lid lifter, bottle opener, herb stripper, plastic bottle opener, and zester. They also come with a blade cover that features a built-in Edgekeeper® sharpener to help keep the blades sharp at all times. The blade cover offers convenient storage and has a large magnet on the back for hanging the scissors on the refrigerator or any magnetic surface. The heavy-duty blades are crafted from premium quality, food-grade, high-carbon stainless steel. The ergonomic, BPA-free handles are designed to fit both the right and left hand and feature a soft-grip finish for stability and comfort. The blades disassemble for easy cleaning. Hand washing is recommended. \$12.99

The **Farberware® Edgekeeper® Sheartoku** combines a 5 inch santoku knife and kitchen scissors. This Sheartoku can be used as a pair of scissors or as a santoku knife when disassembled. The santoku blade features kullens to allow food to effortlessly release from the blade. The Sheartoku features an offset handle to help facilitate cutting on a flat surface when used as scissors. It also includes its very own blade cover with a built-in Edgekeeper® sharpener. \$9.99

The **Sabatier® 8-Piece Cutlery Organizer** fits into most kitchen drawers and is designed to protect knives from damage and safely stored. The set comes with 7 forged, triple-riveted knives with ultra-sharp blades that are perfect for any cutting task: 8-inch Chef Knife, 8-inch Slicing Knife, 8-inch Bread Knife, 5.5-inch Serrated Utility Knife, 5-inch Santoku Knife, 4.5-inch Fine-Edge Utility Knife, 3.5-inch Paring Knife, all in a 7-Slot In-Drawer Organizer. This attractive knife organizer features a black interior and eco-friendly bamboo side panels. \$99.99

Always have a sharp knife on hand with this **Sabatier® 16-Piece Universal Edgekeeper® Cutlery Block Set**. Fully stocked with essential cutlery, this convenient, stylish bamboo block offers an Edgekeeper® universal sharpening slot for effortless sharpening of your knives. Simply insert a knife blade into the slot, then remove it to sharpen it to a fine edge before any cutting tasks. These knives feature high-carbon stainless steel blades and ergonomically shaped, weighted handles for optimal control and balance. The 16-piece set includes: 8-inch Chef Knife, 8-inch Slicing Knife, 5-1/2 inch Serrated Utility Knife, 5-inch Chef Knife with kullens to keep food from sticking to the blade, 4-1/2 inch Fine-Edge Utility Knife, 3-1/2 inch Paring Knife, eight 4-1/2 inch Steak Knives, All-Purpose Scissors, and a Bamboo Block with Universal Edgekeeper® Sharpener. Knives are hand-wash only. \$99.99

Keep your cutlery essentials sharp and within reach while saving counter space with this **Sabatier® 5-Piece Edgekeeper® Prep Set**. The compact, stylish block houses a chef knife with kullens (to help keep food from adhering to the blade), a fine-edge utility knife, a paring knife, and all-purpose scissors. It also includes an Edgekeeper® sharpening slot for effortless sharpening of all your knives. Simply insert a knife blade into the slot, then remove it to sharpen it to a fine edge for peak performance before any cutting tasks. These sleek knives are designed to make food prep easy, with high-carbon stainless steel blades and ergonomically shaped, weighted handles for optimal control and balance. The 5-piece set includes: 5-inch Chef Knife, 4-1/2 inch Fine-Edge Utility Knife, 3-1/2 inch Paring Knife, All-Purpose Scissors, and a compact storage block. Knives are hand-wash only. \$39.99

Slice and serve in style with this **Sabatier® 12"x18" Wood Cutting Board with Funnel**. The convenient handle of this wood board is uniquely designed with a curved, angled "funnel" that directs your cutting results right into a pan without causing a mess, so you won't lose any of your precious ingredients during the transfer. The attractive wood surface is gentle on knives and won't dull blades, plus the board is reversible, offering a smooth side ideal for use as a serving platter. Measures 12 x 18 inches. Hand-wash only. \$16.99

The **Built® IceHouse Frost Lunch Tote** featuring removable freezable gel packs is an ideal lunch bag solution. The three removable gel packs give you the option of using them for extended cooling time or without for conventional insulating time. The long carry handles allow you to comfortably wear the tote over your shoulder. Plus, the interior of this insulating lunch bag easily wipes clean. \$19.99

The **Built® Lex Lunch Bag** is a chic solution for bringing your lunch wherever the day takes you. Carry hands-free as a cross-body bag at full capacity or roll the top down and buckle it creating an easy grab-and-go top handle. It features a hard EVA molded base which provides stability and crush resistance. Plus, the interior of this insulating lunch bag easily wipes clean. \$19.99

Designed for versatility, the **Built® Prime Lunch Bag** has two roomy zippered compartments to help keep your lunch organized. Need one big compartment? Just push the Velcro® divider aside to create one oversized compartment. Perfect for packing a Built Bento and a variety of other food containers. An adjustable, soft shoulder strap makes the bag comfortable to carry around. The Prime Lunch Bag also includes a mesh exterior bottle compartment to bring along your favorite beverage. Plus, the interior of this insulating lunch bag easily wipes clean. \$14.99

**Built® Grip Insulating Food Jars** feature a double-walled, vacuum-insulated, 18/8 grade stainless steel construction that keeps food cold for up to 7 hours or hot for up to 5 hours. The jars have a wide mouth design that makes it easy to fill, eat from, and clean. Sweat-proof with cold foods and cool to the touch with hot foods, these jars are available in 10 and 16 fluid ounce sizes. Made from 100% BPA-free materials. Hand washing recommended. \$12.99 (10oz), \$14.99 (16oz)

The **Built® IceTec Cube Lunch Bag Medium** features three removable freezable gel packs, and the bag can convert from a lunch-sack style to a maximum-capacity cube depending on how much you pack. Use the gel packs for extended cooling time, or go without them for conventional insulating time. It also features a padded top-carry handle, adjustable, removable cross-body strap, and side mesh bottle pocket. \$14.99

The **Built® TiltSeal™ 16 Fluid Ounce Tumbler** features a leak-proof lid with a patent-pending, one-touch, open-close mechanism that makes drinking quick and simple. Push the lever back to tilt open and take a sip. The dishwasher-safe TiltSeal™ lid separates into two pieces to ensure thorough cleaning. The TiltSeal™ 16 Fluid Ounce Tumbler is made from 100% BPA-free materials and features a double-walled, vacuum-insulated, 18/8 grade stainless steel body that helps keep drinks cold for more than 24 hours or hot for up to 8 hours. \$19.99

The **Built® Shasta 24 Fluid Ounce Tumbler** offers a soft, comfortable grip and leak-proof closure. The Tritan™ lid screws securely into place and you can use it with or without a straw. The double-walled, vacuum-insulated, 18/8 grade stainless steel construction helps keep drinks cold for more than 24 hours or hot for up to 8 hours. 100% BPA-free. \$19.99

The **Built® PureFlow Grip 16 Fluid Ounce Tumbler** features a patent-pending lid uniquely designed to prevent splashing while sipping, and offers a 360-degree cup-like drinking experience. The lid effortlessly clicks between leak-proof sealing and cup-like drinking. Featuring a double-walled, vacuum-insulated, 18/8 grade stainless steel body, this tumbler helps keep drinks cold for more than 24 hours or hot up to 8 hours. It prevents condensation with cold drinks and stays cool to the touch with hot. \$19.99

The **Built® Prospect 40 Fluid Ounce Water Bottle** features an ergonomic shape and large carry handle. The cap features a leak-proof seal and securely locks back when opened. The exterior has a scratch-resistant, powder-coated finish that stands up to life's most rugged adventures. Plus, the bottle and lid are both dishwasher safe. The double-walled, vacuum-insulated, 18/8 grade stainless steel bottle helps keep drinks cold for up to 24 hours or hot 8 hours, and is made with 100% BPA-free materials. \$29.99

The **Built® NY Welded Cooler™ Bag Small** features a wide mouth roll top for easy access and cleaning. It has a welded seam construction, leak-proof interior, and a leak-resistant zipper. The double coated tough shell exterior is resistant to puncture and abrasion while the EVA molded base provides stability. Able to hold up to 10 cans or 10 pounds of ice, this Cooler also includes a built-in bottle opener. \$79.99

The **Built® NY Welded Cooler™ Backpack** keeps ice for days and fits up to 36 cans plus ice! It has a welded seam construction, leak-proof interior, and a leak-resistant zipper. The wide mouth, roll-top, zippered opening allows for easy loading and unloading, access to contents, and quick cleanup. It also has a front zippered pocket and built-in bottle opener. Crafted from a heavy-duty, tough shell fabric, this Backpack Cooler is resistant to punctures and abrasion. With padded, adjustable backpack straps and reinforced top handles, it is also comfortable to carry. \$199.99
