The **Rabbit® Chilling Carafe** quickly chills and aerates a bottle of room temperature wine as you pour. The stainless steel chilling core can be filled with ice and has an easy-to-remove stopper. The chilling core extends down into the carafe, keeping wine chilled without dilution, down to the last glass. The borosilicate glass carafe includes a fill line to ensure that wine will not overflow the vessel when the chiller is inserted. The Rabbit Chilling Carafe holds 750mL (25oz) of wine, iced tea, water, batch cocktails, can be used indoors or out, and is an ideal way to chill beverages and keep them cool for optimal enjoyment. \$70, Item 5300380 (July)

Enhance the flavor of your cocktails with the **Rabbit® Liquor Infusing Decanter**. Create your own delicious infused liquors at home with this easy-to-fill decanter. Add your favorite fruits, vegetables, herbs, or spices, along with your favorite spirit. The stainless steel strainer filters out infusing ingredients as you pour. The glass decanter holds 20oz, provides a clear view of your infused liquor, and makes for a beautiful presentation when entertaining. \$60, Item 5300381 (July)

The **Rabbit® Open & Preserve Electric Wine Set** features an integrated stainless steel foil cutter, electric corkscrew, and electric wine preserver. The manual foil cutter fits seamlessly into the body of the device, and a clear window allows you to see the cork as it's removed from the bottle. The rechargeable base holds the two vacuum preserving stoppers (included). This compact, easy-to-use tool has Open and Preserve buttons, and works on all cork types and standard bottle sizes. Simply flip the corkscrew to the other side to preserve wine. \$100, Item 5300379, Williams Sonoma exclusive (June).

Designed for use with a single glass or a decanter, the **Rabbit® Wine Aerator with Stand** allows for hands-free aeration that immediately improves the flavor of your wine. Use the aerator with the wings to place on top of a wine glass for a single serving, or remove the wings to place it on a decanter to aerate a full bottle of wine. The aerator funnels the wine as you pour, helping to release flavor and aroma. The stand catches any last drips of wine, and the removable sediment filter is easy to clean. \$25, Item 5283982, Rabbitwine.com, Amazon

Thoughtfully designed in collaboration with acclaimed bartenders, the **Rabbit® Craft Cocktail Set** makes it easy to create cocktails at home. The tools allow you to emulate professional techniques for stirring, chilling and mixing and each tool takes an innovative approach to its function. The Cocktail Spin Spoon features a unique rotating handle that allows the spoon to follow the contour of the glass, preventing clicking into the ice so drinks remain clear, not cloudy. The jigger and strainer let you measure and strain with precision and nest together when not in use. The 2-in-1 muddler and reamer streamlines the process of adding fresh ingredients to cocktail. The 3-in-1 garnish tool features a built-in zester, peeler and channel knife to remove zest and enhance drinks with garnishes and ribbons. The set also includes a mixing glass. \$99, Item 5268415, Rabbitwine.com, Amazon

Creating perfectly shaken cocktails at home just got a lot simpler. With easy-to-read measurements on the glass, and a cap that doubles as a 1.5 ounce jigger, the **Rabbit® 18oz Glass Cocktail Shaker** is just what you need for your next party. The leak-proof design allows you to shake cocktails with confidence, and the silicone boot on the base prevents slips and spills on the countertop. The shaker has an 18 fl. ounce / 533 mL capacity, \$30, Item 5289263, Rabbitwine.com, Amazon

Whip up perfectly chilled cocktails, from martinis and gimlets to sidecars and manhattans, with the new **Rabbit® 18oz Cocktail Shakers in Stainless Steel and in Black**. These two new Cocktail Shakers provide no-mess shaking, and have a silicone band that provides a non-slip grip. They are made of double-walled stainless steel to keep hands comfortable while you create the perfectly chilled cocktail. Complete with a built-in strainer and jigger that doubles as the cap, these leak-proof shakers make a great gift for your favorite mixologist. Item 5283980 (Stainless Steel), \$30 each, Item 5283979 (Black), Item 5283980 (Stainless Steel), Rabbitwine.com, Amazon

Say goodbye to soggy, wilted produce. **Chef'n® Fruit & Veggie Storage Bins** allow for air flow and reduce condensation so produce stays fresher, longer. The bins come with a suspended mesh bag that allows air flow to keep veggies crisp; and the bag can even be used when shopping at the grocery store. The bins are available in small and medium sizes, and both come with an adjustable air vent in the lid. Top-rack dishwasher safe. \$15 (Small, Item 5273481), \$19 (Medium, Item 5273480), Chefn.com

The **Chef'n® Peel N Grate Ginger Peeler and Grater** makes it easy to peel and grate fresh ginger quickly. The ergonomic shape fits comfortably in your hand. The peelers pointed end reaches perfectly into ginger's nooks and crannies. The round holes help you quickly grate fresh ginger without clogging. Snap the metal peeler into the underside of the grater to collect ginger as you grate. Or, separate the grater and peeler to collect grated ginger in the back of the grate. You can also grate ginger directly into your recipe. Both pieces are top-rack dishwasher safe. \$15, Item 5284625, Chefn.com

The **Chef'n® Juicester Citrus Juicer** features a double press design with spring-back technology, meaning every last drop of juice will be squeezed from your fresh produce. It holds up to 1.5 cups of fresh juice. Two reamer options are included to fit most oranges and lemons. Both pieces are top-rack dishwasher safe for easy cleanup. \$17, Item 5284627, Chefn.com

Make your own spice mixes, marinades, dressings, and more in the **Chef'n® SpiceBall**. An angled mortar makes it easy and comfortable to grind and mix ingredients, and the integrated splash guard ensures ingredients stay inside so you can combine dry and wet ingredients, and keep your countertops clean. The set includes a ceramic mortar, ceramic pestle, and silicone splash guard. Top-rack dishwasher safe. \$30, Item 5284622, Chefn.com

We upgraded our **Chef'n® FreshForce Plus Citrus Juicer** to make it even better! It now features a hang loop for convenient storage, and wider feet to allow the juicer to sit upright. This classic bar-friendly tool produces up to 20% more juice than conventional handheld juicers. The FreshForce dual-gear mechanism increases pressing power, and the ergonomically friendly handle make for easy squeezing. Hand wash recommended. \$30, Item 5284621, Chefn.com

Prepping a fresh juicy mango without the proper tools is difficult! The **Chef'n® Split 'n Pit Mango Prep Tool** helps you quickly, easily, and safely remove the pit from any mango. Then you can use the scoop to free up the tasty fruit. The Mango Prep tool has a serrated edge that you use to pierce the mango skin. The beveled edge helps you scoop the mango from skin. Top-rack dishwasher safe. \$13, Item 5284623, Chefn.com

The **Chef'n® S'mores Roaster** helps you enjoy your favorite camping treat, anytime, indoors or outdoors! No more hassling with a campfire, just the perfect snack at your fingertips. The metal tray is the perfect spot to warm your graham cracker and melt your chocolate while you wait for your marshmallow to roast. Safe to use indoors and outdoors, the set comes with four stainless steel roasting sticks, a ceramic dome, wire mesh, a flue, metal tray, wooden base, and snuffer. \$60, Item 5275257, Chef'n.com, Amazon

The **Chef'n® Taffy Puller** helps you make fresh saltwater taffy at home – no beach boardwalk needed! The kit includes a taffy puller and detailed recipe book. The recipes are customizable with added ingredients, colors and textures. The taffy puller is easy to clean, and can easily fold down for drawer or shelf storage. BPA free, hand wash. \$45, Item 5273478, Chef'n.com, Amazon

Stay warm and make rich, creamy hot chocolate in minutes with the **Chef'n Frothing Hot Chocolate Pot**. Nothing is cozier than bundling up with a mug of homemade hot cocoa (unless you add a splash of your favorite adult bevy to the mix). Push a button and the internal whisk froths your mixture evenly. Sip and enjoy! The insulated pot, which holds up to 1 liter of liquid, keeps hot chocolate warmer, longer. The ceramic pot is top-rack dishwasher safe; the lid and whisk should be wiped clean. \$80, Item 5297061, Chef'n.com, Amazon

The **PlanetBox® Explorer** is our first Leak Proof Lunch Box for mess-free meals with a microwave safe* tray for warming up food for a hot lunch! The removable tray creates two tiers for keeping foods separate, while the silicone seal in the lid ensures wet and dry foods stay contained. Either tier fits two small Rover dippers and one large Rover dipper. The lid and clasps are easy to open and close, and the lid is magnetic so you can customize the lunch box with PlanetBox magnets. Made of food grade 304 and 430 stainless steel and LFGB silicone, the Explorer is free from BPA, phthalates, and other harmful chemicals. Carry it with ease in a PlanetBox Lunch Tote or Sack bag. Plastic free. \$62, Item 5296499, Planetbox.com

**Only the removable tray is microwave and oven safe. Do not put other pieces in the microwave. Do not microwave with other microwave safe stainless steel items.*

The **PlanetBox® Trailhead Double Sided Snack Container** is perfect for portable munching! This container has two compartments to hold your favorite snack combos, wet or dry, including veggies, fruit, chips, pretzels, dips, yogurt, granola, oatmeal, and more. Wet and dry foods remain separate thanks to the leak-free silicone center. The durable stainless steel set includes two, leak-free compartments (one 4oz container, one 9oz container), and a double sided silicone lid. This snack set is non-toxic, contains no lead, PVC, phthalates or BPA material, and is made of food-grade 304 stainless steel and LFGB silicone. It's also dishwasher safe for easy cleanup. Plastic free. \$20. Item 5296500, Planetbox.com

The **PlanetBox® Mercury Insulated Food Container** keeps food hot or cold for long days on on-the-go, and it's easy to open! This vacuum-insulated container ensures hot food stays hot and cold food stays cold for up to 12 hours. The leak proof lid with removable silicone gasket prevents leaks and spills. Enjoy soup, yogurt, veggies, leftovers, and more. This food container contains no lead, PVC, phthalates, or BPA material. It's made of food-grade 304 stainless steel and LFGB silicone. Personalize the outside of the container with PlanetBox Mercury magnets (always remove magnets before washing and allow the lid to dry completely before reapplying). Hand-wash recommended. \$35, Item 5296498, Planetbox.com

We've done the thinking and measuring for you with the **PlanetBox® Prep to Pack Baking Tray Set!** This set of two silicone baking trays create baked goods that fit into the compartments of each lunchbox. Each tray makes 6x3.27oz. portions. The baking trays are oven safe to 450°, dishwasher safe, and free from BPA, phthalates, and other harmful chemicals. \$30, Item 5296497, Planetbox.com

The **Kamenstein® Ceramic and Cork Collection** offers stylish and functional kitchen storage pieces with unique features. The items are made from sleek, durable ceramic and natural cork. The cork lids absorb moisture, which prevents spices from hardening, and naturally repels fruit flies. The *Garlic Keeper* and *Produce Bowl* have breathable vents for prolonging freshness, and the *Canister Set* is stackable for space-saving. The *Salt & Pepper Cellar* and *Garlic Keeper* have concave lids for storing loose cloves or larger spices for easy access while cooking. These high-quality storage essentials are the perfect solution for any kitchen pantry, cabinet, or countertop. Large Produce Bowl (\$80), Canister Set of 3 (\$50), Garlic Keeper (\$25), Salt Cellar Set (\$20), Salt Pig (\$15). Amazon

The **Farberware® SmartSharp Knife Sharpener with LED Indicator** is first to market to show consumers the condition of their kitchen knife blades, and provide an easy way to sharpen blades when needed. SmartSharp uses innovative, one-of-a-kind, patent-pending, optical technology to detect the blade sharpness and displays the sharpness level with LED lights. Red = dull, needs sharpening. Yellow = additional sharpening needed. Green = sharp and ready to use. Farberware SmartSharp is large enough to fit comfortably in your hand when using on a countertop, but small enough to fit in a drawer for storage. It's convenient and easy to understand. To use, pull the blade through the sharpness indicator slot and wait for the LED light. If sharpening is needed, simply pull the knife blade through the two-stage sharpening slots to sharpen and hone. Regular maintenance of knives will help prolong their longevity. Farberware SmartSharp is battery operated and can be used anywhere in the world. \$59.99, Item 5297130, [Amazon](#)
